

**Hillsborough County & City of Tampa Employees
Dr. Martin Luther King Jr. Memorial Scholarship Fund
Contribution Form**

Initiated by Hillsborough County employees in 1988, this fund has provided over \$600,000 in scholarships to deserving high school students since its inception. Employees from the City of Tampa joined the fund in 1992. The scholarship is supported by employee payroll deductions, tax deductible contributions from individuals or groups and corporate sponsorships.

Student recipients represent the wonderful diversity within the school population of Hillsborough County and are required to demonstrate a commitment to service, academic achievement, and a thorough understanding of the ideals of Dr. Martin Luther King Jr.

Applications are generally accepted over a three month period through March 1st each year, and scholarships awarded near the end of the school year. Employee's children are welcome to apply.

Please join us in supporting this very worthy cause with your tax deductible, payroll deduction or one time contribution today!
